Update on The Park

Park benches, picnic tables & landscaping are all on order for our Subdivision Park! The Park is located at the end of Country Lane. Two picnic tables and two benches have been ordered by the HOA. A boulder sign will be ordered and they have also approved a bid to landscape the area. The park will be the perfect spot for family picnics, a game of Frisbee, or for our kiddos to enjoy a safe area to play ball. We want to invite all of our residents to help in keeping our park clean by picking up any trash and scooping behind your animals if they are walked over there. The park will be the location of many of our future social events. Look forward to seeing you all at The Park!
